MOTION TO SEAL CASE

The United States of America, by and through the United States Attorney for the Northern District of Texas, files this Motion to Seal Case. In support of the motion, the Plaintiff would show as follows:

The United States of America represents to the Court that it is necessary to seal this case to prevent disclosure of this garnishment proceeding to the Defendant prior to service of process on the Garnishee, which is believed to be in possession of Defendant's nonexempt property.

The United States of America moves this Court to seal this case until the United States files a Motion to Unseal Case.

Respectfully submitted,
